ABOUT OUR CUSTOMIZED BLOGS

Your thought leadership voice multiplier

Present thought leadership content featuring your technology to current and potential clients. With a GISCafe Customized Blog your voice and the voice of your co-workers are heard loud and clear by a targeted International GIS audience.

Unlike a traditional blog your customized blog allows you and selected team members to speak their mind and gain exposure for themselves and your company. Each of your participating team members has their own login, picture and biography.

Your company’s most recent posts are featured on our home page and in each of our e-newsletters that are sent to more than 40,000 targeted subscribers every weekday evening.

Your blogs are also featured on our new Facebook page to give you additional coverage.

Custom blogs are already being used effectively by many GIS companies, including Intermap, Digital Globe, TatukGIS, Exelis Vis, and many others.

A blog for you, and all your team members

Each of your team members has their own point of view and style, and now you can give each of them the opportunity to share their knowledge and expertise with the GISCafe community while providing thought leadership content that features your technologies.

Set-up, Maintenance and Support

We set-up your company and team member’s blogs. Then we provide on-going maintenance and support and continually upgrade your blogs with the latest plug-in functionality.

FIND YOUR IDEAL
JOB CANDIDATE

Success is measured by results. Our portal power combined with TechJobsCafé.com brings you the targeted high-tech candidates you’re looking to hire in your company.

Testimonials from advertisers:

“TechjobsCafé is an excellent job board for attracting top talent”

IT Professional, Synplicity, Inc.

The most cost effective to fill your open positions, fast. Here’s why:

1. Each of your jobs posted on TechJobsCafé.com also appears on the GIScafé.com homepage. Visited by more than 40,000 GIS professionals every month, GIScafé.com is the #1 GIS web portal in the world.

2. Each of your job postings is also sent to our 40,000+ daily newsletter subscribers. This is an audience that may never visit any of the major job boards, such as, Monster, but we bring your job opening to this passive job-seeking audience.

3. We have thousands of resumes from GIS professionals accessible to you when you sign up for a three-month membership.

4. This extremely targeted approach costs much less than postings on Monster and is much more effective in finding you the right candidate.

I have been advertising with GISCafe.com for a couple years now and have been extremely pleased with the results. We do our own web-advertising tracking and GISCafe.com has always generated more responses than all other GIS-based websites we have used in the past.

Paul Adkins
Marketing Communications

The relevancy and broad scope of GISCafe content keeps the readers at the forefront of what’s happening in the GIS industry. This quality readership means our advertising message gets in front of the right people.

Barbara McInerney
GIS Marketing Manager

We have advertised with GISCafe for several years now and have always been happy with their customer service and the results we’ve gotten from our advertising efforts on their site. They go out of their way to make sure we’re well taken care of and feel like a valued customer.

Jenn Gazdziak
Marketing Manager

GISCafe has given us an excellent return on our investment. We are getting very good results with our online ads and videos views.

Nicole Brecht
Marketing & Communications Manager
Thousands of GIS industry professionals visit GISCafé.com daily to learn about the latest industry trends, gather mission-critical technical and business information, learn about the latest design tools and services, and to get the latest company information. The site attracts more than 200,000 page views per month and has been the #1 GIS portal for many years.

GISCafe.com web portal attracts more than 75,000 unique visitors to the site every month. GISCafé.com also reaches out daily to more than 40,000 GIS industry leaders with its Café News, a daily HTML e-zine that brings the latest industry news and technical advancements right to the professional’s desktop.
